

AVerMedia provides surveillance solution for Time Center in Jordan

Taipei, Taiwan, August 24, 2009- Time Center, established in 1952, is the market leader in the watch retail industry in Jordan. Boasting over 30 international brands, Time Center offers a range of timepieces to suit any need. For guaranteeing the safety of visitors, employees and assets of each store, AVerDiGi EB5416DVD Pro has been selected to ensure absolute safety of any corners of Time Center.

AVerDiGi EB5416DVD Pro is a 16CH DVR with Real-Time recording. With supporting iSync mode, EB5416DVD Pro represents a new era of CCTV recording to show preview and playback display on the same screen simultaneously. "It's useful for us to catch any suspicious circumstances of any corner of Time Center," said the Time Center's security guard. Besides, for catering various security environments, EB5416DVD Pro also supports Dual TV/VGA outputs synchronously.

Furthermore, EB5416DVD Pro also features comprehensive remote access capability on PDA/cells, Central management System (CM3000/ CM3000 Gold) that controls up to 1,000 DVRs and provides advanced alarm management center function. "We're proud to provide the superior surveillance solution for Time Center in Jordan, this achievement once again proves AVerMedia's surveillance system is everywhere," said Alvin Xu, AVerMedia Sales Manager.
